Join us for the 2012 UAS Symposium, to be held at Mississippi State University, May 14 - 16, for nationally renowned speakers on the future of UAS and how to break through barriers of fielding the technology.

Easy Access to Conference Site:
• Fly into Golden Triangle Airport, Columbus, MS (one of the only US commercial airports with an FAA approved COA for unmanned aircraft) – 15 minutes from conference site
• Multiple airports within 2 hour radius (Memphis, TN, Birmingham, AL, Jackson, MS)

Point of Contact:
Lori Mann Bruce, Associate Dean & Interim Director of Raspet Flight Research Laboratory, bruce@bagley.msstate.edu

A portion of conference proceeds will fund scholarships for middle and high school students to attend summer camps focusing on engineering future unmanned systems in an effort to educate the next generation of UAS designers and pilots.

Sponsored by the Mississippi AUVSI Chapter and Mississippi State University
